## Entry form

As soon as the ADAC has received the entry fee, the invoice will be sent to the participant. Please provide the exact billing address.

In principle, the **number of participants** in the ADAC Opel Electric Rally Cup participants is limited to **16 drivers/vehicles**.

With the entry, the participant declares that all information given on the entry form is complete and correct and that he/she fully accepts the regulations of the ADAC Opel Electric Rally Cup.

The participants undertake to take part in all official rallies of the ADAC Opel Electric Rally Cup 2024, except in cases of force majeure. An application for exemption from participation in an event must be submitted to the series coordinator at least three days before the start of the respective competition. The series coordinator will then decide whether to grant the request for exemption. If this procedure is disregarded, the respective driver and/or co-driver may be fined.

If a participant registers and still does not start in all races of the series, the claim for a refund of the entry fee will be forfeited. In addition, a fine will be imposed by the organizing committee (except in cases of force majeure). The participation of the 1st driver is decisive, the 2nd driver (co-driver) may be changed. If a rally of the cup has to be cancelled due to force majeure, the participant will not be refunded any amounts or partial amounts of the entry fee.
