Ready, Set, Bank™ is an easy, free, video-based how-to guide that provides short tutorials on a number of online banking topics. Every day, hundreds of people just like you sign up for online banking. Protecting customer and account information is a high priority for all forms of banking, whether mobile, online, at the ATM or in the branch. So why online banking? It’s convenient and can save you time. Pay your bills, view your account balances, transfer funds and even deposit checks. You’ll spend less time standing in lines and more time doing the things you enjoy. Keep your independence too. When you bank online you don’t have to rely on others to do your finances, which means you stay in control.

Ready, Set, Bank™ can help you learn how to set up for online banking, deposit checks using a smartphone, transfer funds between accounts, and set up automatic bill pay. Whether you’re new to online banking or already using it, these courses offer something for everyone. And the best part, learn at your own pace, start with any topic, and watch videos as often as you like.

Here’s just a sample of the many free Ready, Set, Bank™ online videos:
