

BARRIERE DE PARKING B317

CONB317 08100

I SBARRA DI PARCHEGGIO

Potete rendere questa barriera non svitabile, togliendo la testa delle viti

GB PARKING BARRIER

For an irremovable parking barrier, drill the socket in the screw head until smooth

D PARKPLATZSCHRANKE

Damit Ihre parkplatzschränke nicht abgebaut werden kann, müssen Sie nur den sechseckigen Abdruck des Schraubenkopfes durchbohren

E BARRERA DE PARQUEO

Para que su barrera no se pueda desmontar, tiene que taladrar la huella hexagonal de la cabeza del tornillo.

NL PARKEERPLAATSHEK

Om uw afsluiting on-demonteerbaar te maken dient u slechts de kop van de schroef te doorboren.
