

The World Economic Forum (WEF) predictions (and goals) for 2030:

1. You'll own nothing and you will be happy
 - a. TRANSLATION: the government owns everything
 - b. follow up: how will we be happy?
2. The US won't be powerful
 - a. TRANSLATION: the (world) government will be powerful
 - b. TRANSLATION: they want America to fall and fail
 - c. follow up: who will control this (world) government?
3. No more transplants, we'll print new organs
 - a. TRANSLATION: government decides who lives and who dies
 - b. TRANSLATION: government is God
 - c. follow up: what if I want a real organ, not a printed one?
4. You'll eat much less meat
 - a. TRANSLATION: you don't decide for yourself. the government decides
 - b. TRANSLATION: the government
 - c. follow up: I like meat. Why can't I decide for myself what I eat?
5. We will welcome and integrate refugees
 - a. TRANSLATION: no more individual countries. one country controlled by one government
 - b. follow up: I like my country. I want my people in my country, why do I need to "welcome" other people from other countries who will make my country less like the country I like?
6. Polluters will pay to emit carbon dioxide
 - a. FACT: all forms of energy require emission of CO2 in the process
 - i. coal, oil, natural gas all directly emit CO2
 - ii. wind, solar, nuclear all require CO2 to produce the physical structure, and emit CO2 when disposing of physical structures
 - b. TRANSLATION: the government will have a monopoly on enforcement
 - c. TRANSLATION: the government will upend our economy, and make everyone (except the ultra-wealthy) poorer
 - d. follow up: I think gas works great. I don't want to buy a new car, a new house, or anything new. How will I pay for this and the new tax?
7. Scientists will work out how to keep you healthy in space
 - a. TRANSLATION: the government wants earth less crowded
 - b. TRANSLATION: the government will have a monopoly on space
 - c. follow up: what's wrong with earth?
8. WESTERN VALUES have been tested to the breaking point
 - a. TRANSLATION: no FREEDOM, no RELIGION, no FAMILY, no MORALITY, no
 - b. follow up: why is the WEF pushing communism and totalitarianism?

Who will own everything?
