

J6 PRISONER QUOTES

JESSICA WATKINS - **Political Prisoner #26050-509**

My name is Jessica Watkins and I have been incarcerated as Joe Biden's Political Prisoner since January 18th, 2021.

.... the DOJ deliberately twisted the 1512 Statute in order to incarcerate me and countless Americans for the past 3.5 years. In that time, I have spent hundreds of days in Solitary Confinement, been medically neglected, sleep deprived, mistreated, and even tortured. All based on a Witness Tampering Statute that is simply inapplicable. I have lost my home, business, vehicle, and most of my belongings as a result. I have lost my freedom for 3.5 years. I have been slandered in the Media as a terrorist, as a secessionist, as a white supremacist, and as a far-right extremist; all of which is false.

But I still have hope, I still stand strong. I still love America. I just hope that this charge will go by the wayside; so that I can go home and marry my wonderful husband and start our family together; to finally put this nightmare behind us once and for all.

KELLY MEGGS - **Political Prisoner #30441-509**

First and foremost, I want to thank every single person that wrote to me and donated to me. You have saved my home, my family, and have given me peace in the worst storm of my life. I cannot tell you what a difference it makes after **over 3 years in prison, the first 280 days in a solitary confinement cell with limited access to family, religious services and even a haircut** - to get a letter with someone saying 'Thank you for standing up for me, you are my hero.' It still brings a tear to my eye every time I read it. It makes our pain of being away from our family that much more real but also that much more bearable. It is an honor to hear from you all.

The 1512 charge as applied to the Certification of the electoral college is the single biggest attack by the Judicial branch on individual citizens of this country. Never before have judges colluded in such fashion as they did with this charge. The charge itself is self explanatory the primary header reads: **Witness, Evidence and Document Tampering** all of the subcategories including (c)(2) should only apply to that header or items relating to that header.

They hammered us for over 2 years about how fragile our democracy was, and how it was their job to make sure Justice prevailed. Well I say to you all today, those very people who lectured us about the fragile structure of our democracy are meanwhile destroying the very foundation upon which that REPUBLIC sits Justice for All. A guarantee that above all else no matter how bad things get economically, politically or socially, our Justice system is impervious to corruption. **They have corrupted the very foundation of our nation.**
