

## Capsule pressure gauges for chemical applications KP100Ch

Part no. 35119452

Capsule pressure gauges for chemical applications Type D4

### benefits

- with zero correction
- robust stainless steel housing (with bayonet bezel)
- wetted parts and movement made of stainless steel
- GOSSTANDART-certified
- Ex version (optional)

### Application

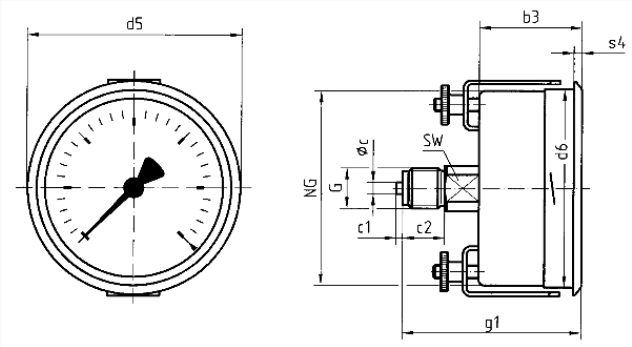

For corrosive gaseous and dry media, also for use in corrosive environments.

### Options

- back flange
- Panel mounting bezel
- 3-hole fixing, panel mounting bezel
- Ex version
- throttle screw
- special scales
- other process connections

Technical Drawings

Centre back connection, panel mounting bezel with clamp fixing
