

pressure/temperature CAPBs® sens

benefits

- high accuracy
- fast, convenient measurement with stable zero
- Measurement of extremely small differential pressures
- universal use for various pressure measurements and simultaneous temperature measurements
- wireless, immediate transmission of the measurement data to your AFRISO measuring instrument, smartphone or tablet with Bluetooth® technology
- position-independent, temperature-compensated sensor technology for maximum precision in all measuring scenarios
- free app for EuroSoft live for operation of all CAPBs® via smartphone and tablet. With pre-installed measurement menus for special applications and graphical representation of the measurement results
