

## pressure transmitter CAPBs® sens PT 70

Part no. M090142810

pressure transmitter CAPBs® sens

### Application

Pressure tests of oil pipes  
Pressure tests at surface heating systems  
Tightness tests/strength tests of drinking water installations as per ZVSHK  
Pressure loss test  
Pressure test at pipe systems  
Stress pressure test at pipe systems

### Description

Pressure transmitter for measurements in liquids and corrosive media (PT 70) as well as non-corrosive media and liquids (PT 85/86).

### Technical Specifications

#### Dimensions

W x H x D: 42 x 74 x 35 mm

#### Weight

55 g

#### Measuring range

-1/+25 bar

#### Resolution

0.1 bar

#### Hose connection

1 Plug connector DN 5
