### The Stone Store Provided Materials for Jonathan Ogden's Hall-of-Fame Outdoor Makeover

**August 24, 2016 - Hanover, Maryland** – The Stone Store is kicking off football season right by teaming up with Continental Landscaping for a project at Baltimore Football Hall-of-Famer Jonathan Ogden's house. The two companies set out to Ogden's home earlier this summer to evaluate the current exterior living space. From there the game plan was simple, to add curb appeal to the entranceway by upgrading the existing walkway and front porch, and to include a retaining wall. Using both natural full-color thermal bluestone and Techo-Bloc manufactured products; they were able to accomplish their goal in providing a Hall-of-Fame Makeover.

“We are honored to have such an acclaimed athlete select The Stone Store as the material provider, and trusting both parties involved to create a vision and to make that vision a reality. As a premier installer to The Stone Store, Continental Landscaping was a perfect fit for this project,” said Kim Himmel, Vice President and General Manager of The Stone Store.

To celebrate the project completion, The Stone Store will be hosting a Hall-of-Fame Happy Hour at its location on Friday, September 9<sup>th</sup> from 4:00 pm – 6:00 pm. The event will include games, giveaways, refreshments, and a special guest appearance by Jonathan Ogden himself. There will also be all day discounts, including 20% off all Techo-Bloc firepits.
