Molatek Trophy Block is an excellent high-quality protein and energy block that is suitable for both ruminant and non-ruminant game species. It contains protein, energy, minerals and trace minerals that contribute to the maintenance of the animals' body weight, conception rate and horn growth.

ADVANTAGES:

- Highly palatable ensuring good intakes resulting in optimal animal production under a variety of grazing or browsing conditions.
- Provides highly absorbable, urea-free protein, energy, macro- and trace minerals to all game species.
- Assists in maintaining body weight.
- Improves conception rates and horn growth.
- Stimulates microbial digestion of veld in the rumen.
- Ensures consistently high animal performance and profit throughout the year.
- Bio-degradable packaging.
