- Adults rams and ewes will consume 2% to 3% of the body weight if the product is given ad lib

## Composition

		Minimum	Maximum
Protein	g/kg	130	
Protein ex NPN	%		12.1
Moisture	g/kg		120
Phosphorous	g/kg	2	
Calcium	g/kg	4	10
Fat	g/kg	25	70
Fibre	g/kg	110	200

Urea	g/kg	0
------	------	---

**Warning:** This feed contains NPN (ammonium sulphate and ammonium chloride) and must be fed strictly according to the instructions. Vitamin activity decreases with time. Consult the manufacturer or a nutritionist. This animal feed contains registered growth stimulants and/or therapeutic remedies. Sheep Finisher should be fed ad lib. post adaptation and feed troughs should always be kept full.
