The background of the entire page is a close-up photograph of a wooden desk. On the desk, there are various items: a white t-shirt with a colorful abstract pattern, a red fabric strip with the text 'BACK TO SCHOOL', a wooden block with the word 'smoink' on it, a black mug with the number '81', and some white circular objects. A large, dark grey circular graphic is overlaid in the center, containing the text 'Creative Minds 2018' in white script and sans-serif fonts.

Robert Maravilla

Creative Minds Scholarship Winner - July 2017

"Being chosen for the scholarship meant a lot for me because it was a goal I had set for myself not knowing whether I was capable of achieving it. Throughout the semester I always kept it in mind when working so I would push myself to improve each day. To have achieved a personal goal - no matter how small it is - is always quite a feat in my eyes."
