**SKIING & BIRDS – SATURDAY, MARCH 5<sup>TH</sup>, 2016**

***Discover the birds of Alta by snowshoe or skis!***

**Alta, Utah – February 9, 2016:** *Why do Birds Matter? Birds make any place a chance for discovery, they make a garden seem wild, they are a little bit of wilderness coming into a city park, and for a bird watcher every walk is filled with anticipation. What feathered jewel might drop out of the sky next? —David Sibley, Author (quote from [www.audubon.org/magazine/march-april-2013/why-do-birds-matter](http://www.audubon.org/magazine/march-april-2013/why-do-birds-matter)).*

Join us in celebration, discovery and conservation of the birds in Alta. In partnership with Tracy Aviary, Friends of Alta and the Alta Environmental Center, Alta Ski Area is proud to host *Skiing & Birds* on Saturday, March 5<sup>th</sup>, 2016. A fun afternoon of skiing or snowshoeing, birding or just enjoying Alta followed by an après ski gathering with bird, outdoor and conservation enthusiasts. This event seeks to raise awareness and support of the partnered [Citizen Science Bird Monitoring Project](#) in Alta.

A three-year study, with the help of Citizen Science volunteers the partners seek to develop a breeding bird baseline list of species and a better understanding of Alta's feathered residents habits and needs. To discover more about the citizen science efforts, opportunities, and neat facts this is the event to attend.

**What:** Skiing & Birds

**Why:** To raise support for bird conservation in Alta

**When:** Saturday, March 5, 2016 | 12pm – 7:30pm

**Where:** Albion Grill, Alta Ski Area, Alta, UT

**How:** <http://tracyaviary.org/upcoming-events/skiing-birds>

**Who:** <https://www.facebook.com/events/943863582357572/>
