UNCOMPROMISED QUALITY

Klauer offers a number of gutter, downspout and accessory options that complement our full line of products. Our steel and aluminum substrates and best-in-class paint finishes have been carefully chosen to ensure our customers have the highest-quality products available in the market today.

CLASSIC AND SELECT COLLECTION

The Classic and Select Collection of colors features our unique textured paint finish in both steel and aluminum, allowing for perfectly coordinated and accented rainware alongside Klauer Residential Steel Siding and Soffit products. The Klauer Select aluminum color palette consists of colors used universally across the industry for a variety of applications.

TRADITIONAL BUILDING PRODUCTS COLLECTION

The Traditional Building Products Collection of colors is universally used for residential, commercial and metal building structures of all types. This color collection is a perfect match for Klauer K-Rib Roofing and Siding products. Available in steel, our extensive list of gutter, downspout and accessory options is made from durable galvanized steel that stands the test of time.

Color charts may be viewed on pages 22–23.
