

LAYUP PANELS

Our Advantages:

Lead Times:

- ◆ Swift and efficient production timelines to meet your deadlines.
- ◆ Material presses within 1-3 days after material arrival.
- ◆ High-volume projects may require additional processing time.

Capacity:

- ◆ State-of-the-art facilities with high production capacity.
- ◆ We can produce up to 200 pieces per day, with additional capacity available.

Volume Based Pricing:

- ◆ Enjoy cost savings with our competitive pricing for bulk orders.
- ◆ We provide quotes for any project, whether large or small.

FSC Certified:

- ◆ Commitment to sustainability with products sourced from responsibly managed forests.
- ◆ Available for shipment into eastern WI and northeast IL, and beyond for large projects.

Shipping:

- ◆ Reliable and timely shipping options for seamless delivery.
- ◆ Freight capabilities throughout the Midwest.

Our Expertise:

Thickness:

- ◆ Varied thickness options to meet your specific needs.
- ◆ Ranging from 1/8" to 1-1/2".

Size:

- ◆ Customizable sizes tailored to your project requirements.
- ◆ Sizes available from 3x8 to 5x12.

Core:

- ◆ Durable and reliable core materials for enhanced performance.
- ◆ Offering PB, MDF, Combi Core, and Veneer Core.
- ◆ Note: Odd substrate thickness/sizes may have limited availability.

HPL (High-Pressure Laminate):

- ◆ Premium HPL for a sleek finish and increased durability.
- ◆ Choose from leading brands such as Formica, Wilsonart, Pionite, Nevamar, Arborite, Greenlam, Abet Laminati, and more.

Material Sourcing:

- ◆ Ethical and sustainable material sourcing for environmentally conscious solutions.
- ◆ Explore Amerhart's extensive inventory of core products and Formica HPL.
- ◆ We welcome customer-provided core and HPL.

Packaging:

- ◆ Maximize packaging efficiencies to ensure your product arrives safely at its destination.
- ◆ Extra labeling and nesting of appropriate pieces for offloading and further assemblies increase productivity and reduce costs.
- ◆ Customized packaging solutions tailored to the specific needs of your products.
