

Technical Data Sheet

12" NorthGate® Accessory Shingle (12" width)

PRODUCT DESCRIPTION

12" NorthGate Accessory is a shingle of three-piece construction that combines durability with flexibility and good looks. Size is 12" x 36" overall, yielding three 12" x 12" caps. Availability depends on sales region.

This product is only available as Algae Resistant (AR) shingles. Algae resistant shingles help protect against staining or discoloration caused by algae.

Colors: 12" NorthGate Accessory shingles are available in various colors. Color and product availability can vary by region; please check your region's product catalogue.

Limitations: Use on hips and ridges of roofs only after application of primary roofing shingles to both intersecting roof decks. These shingles are designed to be used with CertainTeed's NorthGate branded shingles that reference the use of NorthGate Accessory shingles. Use NorthGate Accessory product colors that complement the shingle colors applied to the main roof. Contact CertainTeed's Technical Service Department at 800-345-1145 for details.

Product Composition: 12" NorthGate Accessory shingles are composed of a fiber glass mat base. Ceramic coated mineral granules featuring high solar reflectance are tightly embedded in specially refined, water-resistant asphalt. This is a three-piece shingle that must be separated into individual pieces, each 12" x 12", by folding along the perforated lines.

Applicable Standards:

ASTM D3018 Type I

ASTM D3462

ASTM E108 Class A Fire Resistance

ASTM D3161 Class F Wind Resistance

UL 2218 Class 4 Impact Resistance

UL 790 Class A Fire Resistance

CSA Standard A123.5

Florida Product Approval # FL5444

TECHNICAL DATA

Weight/Bundle (approx.):	65 lbs.
Dimensions (overall):	12" x 36"
Separated into individual pieces:	12" x 12"
Weather Exposure:	5"
Coverage/bundle:	30 lin. ft.

INSTALLATION

Refer to installation instructions including diagrams found on each bundle of 12" NorthGate Accessory shingles.

Double-coursing will accent the rooflines and improve overall appearance.

AVAILABILITY AND COST

Availability: For the names of local distributors and dealers, please write Sales Support, 20 Moores Road, Malvern, PA 19355; or call (800) 233-8990.

Cost: Contact a local distributor or dealer for current price information.

MAINTENANCE

NorthGate Accessory shingles do not require maintenance when installed according to manufacturer's application instructions. However, to protect the investment, any roof should be routinely inspected at least once a year. Older roofs should be looked at more frequently.
