# PLYCO Quick Vent

## EASY INSTALLATION

The Plyco Quick Vent comes with a pre-installed high tack adhesive. No clips or fasteners required. Simply peel the backing and install. The superior adhesive helps make a complete seal. Plyco Quick Vent comes in 2" x 10' lengths for quick and easy installation. No more foam flapping in the wind. Just peel the backing as you install.

## SUPERIOR MATERIAL

The Plyco Quick Vent is non-wicking, highly pliable while still providing a superior airflow. Rain and snow do not penetrate the material, also keeping out pests and insects. Plus, it provides up to double the air flow of some competing brands.

The Plyco Quick Vent is highly pliable resulting in straight line installation, meaning no unsightly bulges after installation.

Because of its ongoing commitment to product improvement, Plyco Corporation reserves the right to change, without notice, product specifications, availability, prices and conditions of sale.
