Notes:

Choose Home availability is determined by the finish and the package options that are selected. The availability listed in the AQ or HAM Price booklet corresponds only with the unit and options shown in the photographs and the descriptions of each unit. Lead times for Choose Home units are generally 2 - 3 weeks.

No modifications to units are excepted. For additional modifications, refer to Commercial products. For additional LOOSE accessory listings, see Choose Home Booklet in Aquarius or Hamilton binder.

Color samples are representative only. Printing may cause some variations to the color. To purchase solid surface color chip samples please contact customer service. Non-standard AcrylX™ and acrylic colors may be found on our websites or requested by contacting customer service. As in all batch manufacturing, slight variations may occur.
