Web Update Form

Issuer Information

First Name *

Last Name *

E-mail *

Browser *

Indicate the browser you were using when you encountered the issue.

Internet Explorer

Issue/Update/Request Type and Description

Website affected *

Indicate which website(s) the issue is affecting or will be affected by a request.

Select

Issue/Request type *

If your request is different than the choices below then choose other and specify in the description.

Select

Description *

For an Issue or Update: Describe to the best of your ability, and in as much detail as you can, how you see or got to the issue (specific steps to reproduce the issue encountered).

For a Request: Dive as much detail as possible to help the development team get a good sense of the nature of the request. Provide also a short business case as to why this request might be needed.

If you need more space attach a file below!

URL

Copy/Paste the URL of the page containing the issue or requested page change. Indicating the URL will help us pinpoint the issue and be able to respond in a timely fashion.

File Attachments

Attach screenshots for a more precise description of the issue or request.

Drag and drop files here or [browse files](#)

Submit

If you find information in MAA website or price list that is not accurate and needs to be adjusted or removed, you can submit a Web Update Request to demand the change.

All you need to do is access ABG/MARCOM by using this link:
<https://bathcraft.sharepoint.com/sites/MarcomNews>

In the section Marcom resources on the bottom right, click on “Web Update Form”

This will open up a “Website Update Form” all you need to do is fill out your contact details, the details of your request and the URL you found the inaccurate information.

You will receive an email confirming the reception of your request. Once the request is completed you will receive a confirmation too.

MAAX REWARDS PROGRAM

We are updating the MAAX rewards program and this month we would like to share the four changes that will be in place starting **August 1st, 2020**.

An e-blast will be sent directly to participants including details of these changes.

Earn more points by completing training modules.

Minimum points have increased from 50 to 600!

New training course!

MAAX Website module available now.

Complete the training courses available and earn a chance to Spin and Win!

Answer the question and earn 600 points (before 100 points).

New questions every quarter!

Two rules have been adjusted:

Rule No 4. All quotation prices are excluded from the program.

Only sales done with consumers are qualified for the MAAX rewards program.

If the sale is being done on behalf of the consumer by a professional, the sale should be for single, duplex or triplex family property only. The name and/or the address of the consumer should be included in the invoice submitted to claim the Maax Rewards points.

No more than 2 sales of the same unit per consumer (per address) will be accepted.

Rule No. 5: All qualifying sales must be entered within 120 days from customer invoice date.

Only invoices to your customer (the showroom invoice) may be entered on MAAX Rewards.

More to come. Stay Tuned!!

Follow MAAX on Social Media & share the content!!!
