

COMMERCIAL APPLICATIONS FOR PUBLIC HOUSING

SOLUTIONS FOR PUBLIC HOUSING

Swan products blend style, performance, and affordability at a level unmatched in the industry. When clients require materials that are as sustainable as they are stylish, our high performing bath products are the ideal choice.

Veritek™ and Veritek™ Pro products are the perfect choice for large scale multi-family or public housing projects, providing style and durability at an excellent value. Whether it's a shower or a tub, Swan's Veritek™ and Veritek™ Pro product lines offer a solution to fit every size and budget that will withstand intense use over time and require very little upkeep and maintenance. From glue up to direct-to-stud to lightweight sections that snap into place, installation is quick and easy, even when it's a tight squeeze.

Fresh, affordable bath solutions for any project is what makes Swan the right decision. You can rest easy knowing you've installed a high-quality, reliable product in your bathroom.

PUBLIC HOUSING APPLICATIONS

Bath Walls, Shower Floors, Vanity Tops, Countertops, Kitchen Sinks, Wainscoting, Molding and Trim, Laundry Room Work Surfaces, Utility Sinks

ANTIMICROBIAL

Walls are non-porous, with no surface coating to scratch or wear away, forming a natural antimicrobial surface that will not breed bacteria.

EASY TO CLEAN

Easily wipe away dirt, grime, and soap scum with most household cleaners and a good rinse.

BUDGET-FRIENDLY

Designed for the budget-minded consumer or high-volume project contractor, Swan guarantees a solution that is affordable and readily available.

EASY TO INSTALL

Direct-to-stud or glue-up installation, Swan walls are easy to install for most plumbers, DIYers, and homeowners.

WHY SWAN FOR PUBLIC HOUSING FACILITIES?

- Available in a variety of sizes and styles to fit any specification.
- Quickly renovate or install new — reduces labor costs
- Withstands tenant abuse with no surface coating, — it won't crack, chip, mold or mildew.
- Covered by one of the industry's best warranties — 30 years
- No grout to maintain.

COMMERCIAL APPLICATIONS FOR PUBLIC HOUSING

VERITEK™ **OUTSTANDING VALUE AND DURABILITY**

Veritek™ is a low-maintenance bathware solution that delivers exceptional value and durability, all while simplifying the installation process. Made from a compression-molded material that is non-porous, Veritek™ is expertly designed to resist chipping, cracking, and the buildup of mold and mildew, making it an ideal choice for tubs, pans, and shower walls. Our Veritek™ products offer affordable, wear-resistant solutions that are not only easy to maintain, but also add a beautiful touch to your bathroom design. Backed by industry-leading warranties, Veritek™ products are an unparalleled choice for shower or tub renovation projects.

VERITEK™ PRO **THE ULTIMATE SOLUTION FOR ANY BATHROOM PROJECT**

The Veritek™ Pro series features a range of highly durable, low-maintenance bathware products, including shower bases, walls, and tubs to enhance the functionality of your shower space. The lightweight, multi-piece sections effortlessly snap together using tongue and groove joints, making installation quick and easy, even in tight spaces. Designed for a seamless, water-tight fit that attaches directly to the stud, our Veritek™ Pro products are available in various sizes and configurations to accommodate your preference and layout. All Veritek™ Pro tub and shower kits feature integrated shelves and pre-leveled bases for added convenience. Find the perfect fit for your bathroom remodel project with Swan's Veritek™ Pro series.

Swan products are GREENGUARD GOLD Certified by UL Environment. This certifies that our product meets some of the world's most rigorous and comprehensive standards for low emissions of volatile organic compounds (VOCs) into indoor air.
