Product change on Jasmin DI

Due to unstable supply, the Jasmin DI 106096-000-002 is now offered with a Raindrop glass (970) instead of Mistelite (981). The SKU remains the same. New POP's are available for store update.

Freestanding Bathtub Non-Standard Color Additions

Effective October 29th 2021, the Platinum Silver color option (010) on the below freestanding bathtubs will be discontinued and replaced with Sterling Silver color option (006).

They will also be available in the non-standard color options Black (015) and Thunder Grey (019).

Elinor – 106426

Delsia 6032 – 106192

Delsia 6636 – 106193

Sax – 105797

Lounge – 105798

Door Discontinuation 2021

Effective November 1st 2021, due to sourcing difficulty and instability, the following shower doors with a Mistelite glass pattern only are discontinued from the MAAX Multi-brand product offering. The clear glass version is still available. Below are the recommended replacement SKUs in clear glass.
