Bali-Pro Sliding Door

Innovative Hospitality Solutions

The Bali-Pro Sliding Door is designed for hospitality project sales. The detachable door guide allows for easy cleaning and maintenance. Packaging in two manageable boxes allows for easy movement on jobsites. Available in Chrome finish, the Bali-Pro's features make it the perfect solution for shower spaces.

Innovative & Stylish

- Reversible shower door for left or right opening
- Bali-Pro features a detachable door guide to distance the glass when cleaning

Durable & Safe

- High quality, ball bearing rollers allow for smooth & effortless sliding elevating the feel of the shower door
- Out-of-plumb adjustment offers convenient, onsite adjustments leading to an easier installation

Innovative Safety Feature

ABG Hospitality is proud to introduce our Shatter Resistant Technology, a new & innovative glass solution for hospitality shower doors. Our Shatter Resistant Technology is a factory applied film that, in the rare event of glass breakage and shatter, allows the glass to retain its shape with most pieces staying attached to the film. This creates a safer environment where the shattered tempered glass does not scatter throughout the shower and bathroom.
