Enjoy the experience

# a refined offering means a better experience for you

We have refined every area of our door product offering, reducing complexity, eliminating products at the end of their life cycle and introducing new, on-trend products for tomorrow's market. We strive to make it as easy and enjoyable as possible to do business with us. We believe this refined offering not only creates a simpler experience that makes it easier than ever to sell MAAX doors, but also provides you an even stronger competitive advantage through in-demand styles that will meet your customers' every expectation.

To help ensure a smooth transition, this guide will help you find the right doors to replace the following discontinued items. These recommendations were carefully selected to meet your needs with superior, on-trend designs.
