

a refined offering means a better experience for you

We have refined every area of our product offering, reducing complexity, eliminating overlap across product lines and introducing new, on-trend products for tomorrow's market. We strive to make it as easy and enjoyable as possible to do business with us. We believe this refined offering not only creates a simpler experience, but also provides you an even stronger competitive advantage through in-demand styles that will meet your customers' every expectation.

What is being discontinued?

To help ensure a smooth transition, this guide will help you find the right bathware to replace the following discontinued items. These recommendations were carefully selected to meet your needs with superior, on-trend designs.

- **AKER by MAAX** acrylic products (some are moving to MAAX Professional) and some gelcoat low runner products
- All of **Pearl Classic Series**
- Most of **Pearl Designer Series** (Release and Eterne families remain available in the Collection product line, as well as Ambrosia Freestanding)
- Some **MAAX Collection**, **MAAX Professional** and **MAAX Shower Door** products
