

SHIELD

OPTION DETAILS

- Available on an array of Everyday showers, tub-showers, baths and bases.
- Standard lead times apply.
- Large orders may require extended lead times. Contact Customer Service for details. Contact your Aquatic representative for pricing.
- Protected by extended warranty for as long as the liner is in place, from delivery to final cleanup. See below for warranty details.

EXTENDED WARRANTY

ArmorShield comes with an unmatched no-charge repair guarantee on damages caused by normal jobsite wear*, including:

- Nails and screws on tub or shower floor
- Urine
- Food and drink
- Tobacco stains
- Scuff marks from ladders, stilts, boots and drywall/lumber scraps

**Excludes damages from Acts of God such as fire, wind, flood and earthquake; or other abuse or misuse or faulty workmanship; gross negligence; impact to front or rear from hammers, drills, or other job site tools and forklifts or other powered implements, nails or screws driven through the liner and into the unit; vandalism or intentional inflicted damage.*

YOUR FIRST AND STRONGEST LINE OF DEFENSE

Bath and shower fixtures endure a merciless stream of jobsite abuse— from harsh weather, to trash and debris, and ruthless pounding from work boots and lumber scraps.

ArmorShield protective liners provide unmatched protection from it all. Sprayed onto the finished surface of the bath, **ArmorShield** dries instantly to a virtually impenetrable barrier that protects the unit from dings, scratches and worse. It's chemical- and UV-resistant properties ensure the finish stays brilliant and shiny in all conditions. When the job is finished, **ArmorShield** easily peels away to reveal the untouched, glossy surface.

Contact your Aquatic representative to learn more about how **ArmorShield** can help protect your investment.
