Product Overview

LUXURY HYDROTHERAPY

More than 160 models that soothe, relax and target areas of stress.

Millennium

Our premium collection of roomy two-person air/whirlpool combination baths offers the very best in power and hydrotherapy performance, featuring zone-controlled shiatsu back jet system, chromatherapy, extra soft comfort pillows and reclined lounge seats.

- 4 models
- 22-24 hydrotherapy jets
- 2 independent hydrotherapy zones
- Digital electronic control system and remote control
- Dedicated 1.75 HP run-dry safe pump for each hydrotherapy zone (2)
- Air bath system with variable speed heated air blower
- Preset functionality

Infinity

True intelligence in hydrotherapy, the Infinity Series provides a zone-controlled shiatsu back jet system, chromatherapy, extra soft comfort pillow and an effervescent air bath system.

- 6 models
- 16-17 hydrotherapy jets
- Magnetic extra soft comfort pillow
- Digital electronic control system
- 1.75-HP run-dry safe pump
- Air bath system with variable speed heated air blower
- 1.5kW inline maintenance heater
- Preset functionality

Estate

Invigorating whirlpool jets can be complemented with a refreshing air bath system in this versatile series. Stately and sophisticated designs with robust hydrotherapy are the hallmarks of the Estate series.

Whirlpool

- 17 models
- 6-9 hydrotherapy jets (including rotary upper and lower back jets)
- Electronic control
- 1.75-HP run-dry safe pump

Air-Whirlpool

- 12 models
- Whirlpool features plus:
 - Variable-speed heated air blower
 - Electronic control with wave and pulse settings
 - 1.5kW Inline maintenance heater

Serenity®

The ultimate in personalization, the Serenity® Series can be ordered as an effervescent air bath, a soothing HotSoak™, a tranquil DriftBath™ or a quiet relaxing soaker in classic or modern designs.

Soaker

- 46 models
- Available in drop-in, undermount and freestanding configurations

- Thick, durable acrylic surface
- Designs from classic to modern
- Deep, ergonomic bathing wells

HotSoak

The most traditional form of hydrotherapy, the HotSoak offers endless relaxation in a bathtub that never gets cold.

- 32 models
- 2 low-profile circulation portals
- Electronic one-touch on/off control
- Ultra-quiet circulation pump
- 1.5kW Inline maintenance heater

DriftBath

Delicate ribbons of water form a quiet current that simulates the experience of sitting in a calm stream.

- 26 models
- Dozens of low-profile, water-only portals
- Ultra-quiet pump/motor efficiently heats and circulates water
- Electronic one-touch on/off control
- High-intensity LED chromatherapy lighting

Air Bath

A soothing and rejuvenating experience. Surround your body with thousands of tiny bubbles, creating the exhilarating feeling of a "hot springs" spa.

- 39 models
- 7 freestanding models available
- Perimeter air injectors with automatic purge and dry cycle
- Variable speed heated air blower
- Electronic control with wave and pulse settings
- Chromatherapy lighting

Builders' Choice

What makes an Aquatic bath great? It's more of a question of 'who?'

Behind every product is an expert—an engineer, a designer, a machine operator—someone who is passionate about making bathing a comfortable and enjoyable experience for everyone.

So when you choose Aquatic, you're choosing more than a shower, tub or other bath product.

You're choosing people who are the best at their craft. And that means you can relax knowing you're getting the best quality, value and options for your specific project.
