EXCEPTIONAL STRENGTH

The Strength of **ARMORCORE™**

- AcrylX™ with the strength of ArmorCore™ eliminates the hassle of damages that occur during handling and transportation that cost time and money.
- We've eliminated the common issues associated with traditional base construction. No more expensive repairs!
- ArmorCore™ has been tested far beyond industry standards. Even at 1,800 lbs of pressure it refuses to fail.

SUPERIOR FINISH

- AcrylX™ has a visibly true white, deep lustrous finish that can only be achieved with an acrylic surface. We've upgraded the value of the everyday product.
- Whether in a warehouse or a new house an AcrylX™ product will resist scratching, cracking and chipping and will maintain a "factory-new" finish over its lifetime.
- AcrylX's™ UV properties resist fading, low porosity helps maintain luster and makes cleaning easier, and other natural properties make it less susceptible to chemicals. All enhancing value and reducing everyday issues.

SIMPLY EASY

- No more wasted time looking for the design and configuration customer needs. We have hundreds of models to choose from. Our entire everyday offering is now available to you in AcrylX™ with the strength of ArmorCore™.
- You can be confident that we will stand behind our products 100% of the time, so you can be confident in selling our products to your customers. We've backed AcrylX™ with the Strength of ArmorCore™ with an unprecedented Lifetime Warranty.
- Our new AcrylX™ with the Strength of ArmorCore™ increases the value of our everyday product without changing model numbers, specifications, SKUs, or price!

AcrylX
with the strength of
ARMORCORE™

AcrylX™ with ArmorCore™, shown above at left, compared to standard gelcoat unit, at right

AcrylX™, Applied Liquid Acrylic offers a high gloss, truer white finish. The finish material is less porous which creates an easier to clean surface. The high luster results in a longer lasting finish, meaning a factory new look years after installation.

The structural integrity is greater than previous products; reducing the chances of surface cracks during transportation and installation.

ARMORCORE™

ArmorCore™ RRP (Resin Reinforced Product) offers unprecedented structural strength in everyday bath products. Testing demonstrates a 600% above code weight rating on the base while only increasing the unit weight by an average of 1-3%.

ArmorCore™ RRP outperforms traditional FRP due to the integral nature of its chemically bonded resin structure. ArmorCore™ RRP does not require foundation or bedding material for installation.

ArmorCore™ RRP produces the strongest, most resilient product in the industry, impervious to moisture and freezing, and better suited to the rigors of construction than any other product.

BETTER STARTS NOW

Real life bathrooms keep it simple.

Durable, dependable, ready to go. Everyday luxury from Clarion Bathware.

Whether it's helping families rush off for work and school or making time for a little quiet and relaxation in the evening, Clarion products are engineered for those who value our proven combination of appealing design and great value.

Since 1973, Clarion has earned the respect of architects, contractors and homeowners with custom-crafted molds for even the most challenging new construction or remodeling needs.

Our made-to-order bathware lines include fiberglass showers, tubs/showers, bathtubs and whirlpools – all available in both AcrylX™ and acrylic finishes.

So keep it simple, keep it real. With Clarion Bathware.

WHERE TO BUY

Clarion Bathware products are available through our vast network of wholesalers. You will find many of our products in stock and custom orders can be done directly with the wholesaler. Please contact your nearest wholesaler for price and availability.

FACTORY DIRECT SHIPPING

Clarion Bathware ships direct from our manufacturing facility in Marble, Pa., on our own fleet of air-ride trailers. Clarion's company drivers guarantee you on-time delivery and safe handling of our made-to-order bathware products.

To locate a wholesaler near you, contact us at 1 (800) 576-9228, Ext. 5212 or www.ClarionBathware.com.

OUR WARRANTY

The bathroom has to be as tough as it is beautiful. Durable and resistant to stain or mildew. That's Clarion Bathware.

Our hard, non-porous surfaces hold up to real life. Our colorfast products wipe to a shine without scrubbing so they're easy to maintain.

LIFETIME WARRANTY

Clarion Bathware's Residential Lifetime Warranty covers all AcrylX™ products against defects in material and workmanship.

CAST ACRYLIC WARRANTY

Clarion Bathware's 5 Year Cast Acrylic Warranty covers all cast acrylic products against defects in material and workmanship.

Step 4
Apply sealant and install left and right walls using the E-Z Pin system.

**For full instructions, please visit www.ClarionBathware.com.*

E-Z INSTALLATION **EASY TO INSTALL- NO NUTS OR BOLTS**

With Clarion Bathware's patented E-Z Pin System, installing a shower or tub/shower has never been easier. No nuts or bolts are required during the installation, and all E-Z Pin units can be installed at any stage of the construction process.

The E-Z Pin System enables professionals and do-it-yourselfers to roughly fit the shower or bathtub into the framing pocket and easily remove it to make adjustments to the pocket or drain. The units can literally be installed in four E-Z steps.

**Optional on two- and three-piece sectionals. Standard on four-piece sectionals.*

Bath Time for Years to Come

Learn how to choose AcrylX™ or Acrylic

ACRYLX™ FIBERGLASS

The material of choice for style, strength and affordability. At Clarion Bathware we first apply a thick layer of AcrylX™ to the mold. Next, we carefully hand spray the resin and fiberglass strands and reinforce this composite laminate with an Armorcore™ panel for outstanding strength and wearability. This combination creates a beautiful, long-lasting bath product for your home. Every Clarion product comes standard with an industry leading Lifetime Warranty for even more comfort.

ACRYLIC

A step up in luxury for your bathroom and your lifestyle. The benefits of acrylic are a higher gloss finish that is more luxurious, more durable and more stain resistant for years of beauty. We start with a cast acrylic sheet that is vacuum formed to your desired mold resulting in a sensuous bathtub or shower enclosure that you will truly enjoy for years and years to come.

SHOWER BASES

Create your own, unique shower enclosure, but start with a strong, quality foundation. From barrier-free to highly functional molded seats, Clarion has a wide selection of shower bases that allow you to design your own custom shower room.

Durable one-piece bases feature strong, AcrylX™ fiberglass construction with textured, slip-resistant floors.

NEW WATER MIGRATION CHANNEL

Improved Design!

In 2019, Clarion Bathware re-engineered our shower base line. We began adding water migration channels to our shower bases to help ensure that we are bringing you, our customers, the highest quality product! This improved design helps to channel water into the shower pan from the top of the shower base.

*Water migration channels were added to most of our shower pans in 2019. Check website for availability.

FOR LOW PROFILE 3/4" SHOWERS CLARION'S QUICK & E-Z INSTALLATION

Clarion's 3/4" ADA-compliant showers all use our E-Z install floor flange, making installations easy, clean and secure without having to recess.

All Clarion Bathware 3/4" barrier-free models meet ADA Standard 608.3 when flooring is finished properly.

TRANSFER SHOWER FLOOR FLANGE

Clarion's 3/4" barrier-free threshold for ADA-compliant transfer showers.

3/4" ROLL-IN SHOWER FLANGE

Clarion's 3/4" barrier-free threshold for ADA-compliant roll-in showers.

E-Z FLOOR FLANGE

Clarion Bathware offers E-Z Floor Trim for quick and easy installation to finish off the floor nailing flange. (Meets ADA Standard 405 for slope.)

Mounding Method

Clarion's installation program simplifies the bedding support requirement by using self spreading mounds of light weight plaster. The light weight plaster compresses and spreads as the shower floor presses into the pocket, making a sturdy and void free foundation.

E-Z FLOOR TRIM

Clarion's E-Z Floor molding simply fits over our 3/4" floor attachment flange making a clean, easy and quick transition to the floor.

E-Z WALL TRIM

Clarion's E-Z Wall Trim is a composite material that is impervious to water, can be attached with silicone caulking, finish nails or screws. E-Z Trim can also be painted to match your decor.

SUPERIOR SAFETY STANDARDS

Clarion Bathware ships assisted care products nationwide. Available with pressure balanced mixing valves and 1 1/2" stainless steel grab bars with 3" X 3" steel backing plates.

Model No. MP6436BFKD34

Standard Color: White.
