

FHA & ANSI Compliant Shower Models

FHA / ANSI Compliant Models

Prepare for the future with FHA / ANSI compliant models. These units come fully reinforced, ready for grab bars now or later. Low thresholds provide easy entry while ensuring water containment. Made with the durable AcrylX™ finish, our FHA / ANSI models will endure the test of time and maintain their glossy shine. That's why we have backed them with a 30 year warranty in commercial applications. And you can be proud that your FHA / ANSI unit is made right here in America. We are Building a Better Bathware Industry.

Features:

- AcrylX™ applied acrylic surface
- 3 1/2" threshold
- 30-year warranty for commercial applications
- New Return Flange design
- Meets backing requirements for FHA Requirement 6
- Meets minimum 36" x 36" for FHA Requirement 7

Options:

- Grab bars
- Fold-up seat
- Hand-held shower assembly with slide bar
- Pressure balancing mixing valve
- Soap dish
- Curtain rod and/or shower curtain
