

HEALTHCARE

NEW CONSTRUCTION

Combine Comfort Designs' trench drain shower base with Swan Solid Surface shower walls to create the best solution for water containment.

RENOVATION

Comfort Designs with Swan Solid Surface wall panels are easy to fit to the specific size you need.

CUSTOMIZATION

When custom drain locations or sizes are required, specify exactly the base needed for your project.

> Solid Surface Solutions for Healthcare

COMFORT DESIGNS WITH SWAN SOLID SURFACE blends *performance, style and value* at a level unmatched in the industry. When clients require materials that are as high-performing as they are stylish, our surfacing products are the ideal choice.

In the design and construction of healthcare facilities, durability, accessibility and value are frequently top of mind during the specification process.

By choosing Comfort Designs with Swan Solid Surface for healthcare applications, owners will receive cost-effective and safe products that will withstand many years of use.

WHOLE-ROOM HEALTHCARE PROJECT SOLUTIONS

HEALTHCARE APPLICATIONS FOR SWAN SOLID SURFACE

Shower Walls, Shower Bases, Vanity Tops, Countertops, Wainscoting, Patient Headwalls, Molding and Trim, Window Trim, Cladding, Reception Desks, Nurses Stations, Laboratory Tables, Work Surfaces, Utility Sinks, Food Service Surfaces

Why Choose Comfort Designs with Swan Solid Surface

10x times stronger than any other solid surface, Swan Solid Surface won't break, even when hit with blunt force.

Chemical resistant to damaging culprits, such as iodine, bleach or peroxide. It won't mold or mildew making it easy to maintain.

Heat resistant to 450° - the highest heat resistance in the industry. No thermal expansion and contraction.

Color and texture are consistent throughout, with no surface coating to crack or chip.

Why Comfort Designs with Swan Solid Surface for Healthcare

- One Source: Products to fit virtually all healthcare specification needs- from bathware and counters, to wall panels.
- Available in a variety of sizes, styles and colors to fit any specification.
- Quickly install one unit at a time or hundreds.
- With no gel coat surface coating, it won't crack, chip, mold or mildew.
- Easy to clean, repair and maintain.
- Covered by one of the industry's best warranties.

Comfort Designs with Swan Solid Surface is backed by industry-leading 30-year Commercial Limited Warranty. See terms and conditions for more information.

Swan Solid Surface is GREENGUARD GOLD Certified by UL Environment. This certifies that our product meets some of the world's most rigorous and comprehensive standards for low emissions of volatile organic compounds (VOCs) into indoor air.
