

Application: 5' standard or oval bath tub.
Spans 57.75"-60.5" w/o modification

Material:

- Tube:
- 304 stainless steel
- 25.4 mm OD
- 0.75mm wall thickness
- 600 grit finish (bright)

Brackets (set):

- Die cast zinc, Chrome Plated
 - (2) wall mounts
 - (2) swivel connectors
 - (4) retaining screws
- Mounting Hardware:**
- (4) decorator anchors
 - (4) plug anchors
 - (4) wood screws
 - (2) ss headless set screws, loctite
 - (1) #10 allen wrench

Utility/Benefits: Distinction from straight shower rods

Stops Leaks: Curves in 3" at corners. Curtain curves in to retain water

Adds Space: Curves outward in center of tub, 6" beyond straight rod

Curtain: Uses standard curtain.
