Cast Marble Solutions

Cast Marble Shower Bases

LiteCast™ Shower Bases

IMI's LiteCast™ Cast Marble Shower Bases are strong and durable with a stone foundation for a solid finish throughout. IMI has a wide variety of Cast Marble Shower Bases to choose from in a variety of sizes and colors.

Standard Rectangular & Square Shower Bases

A solid one-piece construction with drain pockets on the left, right or in the center of the shower base, some models are also ideal for tub replacements.

Trench Drain Shower Bases

Pre-leveled and available in left and right hand drain versions, they feature a standard drain pocket that is adjustable inside the trench drain channel.

Roll-In and Transfer Shower Bases

Designed for people with limited mobility, roll-in and transfer shower bases have a low threshold for enhanced access and usability.

Custom Shower Bases

Perfect for non standard sizes shower areas, custom shower bases are available in a wide variety of sizes and shapes.

Features & Benefits

- Solid, one-piece shower base solution
- Non-porous material is mold and mildew resistant for easy cleaning and long-term maintenance
