

Cast Marble Solutions

Cast Solid Surface Shower Bases

SolidCast™ Shower Bases

IMI's SolidCast™ cast solid surface shower bases are strong and durable with a stone foundation for a solid finish throughout. IMI has a wide variety of cast solid surface shower bases to choose from in a variety of sizes and colors.

Trench Drain Shower Bases

Pre-leveled and available in left and right hand drain versions, SolidCast™ trench drain shower bases are available in the following sizes, all with 4" thresholds- 60" x 30", 60" x 32", 60" x 34", and 60" x 36".

Roll-In Shower Bases

Designed for people with limited mobility, roll-in and transfer shower bases have a low threshold for enhanced access and usability. Roll-in SolidCast™ shower bases are available in an ADA code compliant 62" x 31" shower base or a 62" x 36" ADA code compliant trench drain shower base.
