**MAAX**<sup>®</sup>  
Enjoy the experience

Proudly made in Canada.

As MAAX adds 52 years of experience to its history, we are reminded of the pride and satisfaction we take in being a Canadian manufacturer. We employ nearly 800 passionate Canadian workers in our plants located across the country. Our people are the fabric of our operations, and it is they who ensure that "Made in Canada" represents much more than simple geography.

# forward

A better experience means always moving forward

---

We're inspired by you. You're constantly in motion, and never stop looking ahead. And your style is constantly evolving, helping refine the trends of tomorrow. That is why we believe to best serve you, we must always be moving forward — never complacent — finding new ways to enhance your success and enjoyment. We never stop asking questions or exploring innovative new opportunities to make business easier, products better and results more inspiring, no matter what the project. We are driven to continuously push the bounds, creating the best possible bathware experience.

Sharing experiences since 1969

Pocono	58 x 32 x 23	Center	White (002)	106995-000-002

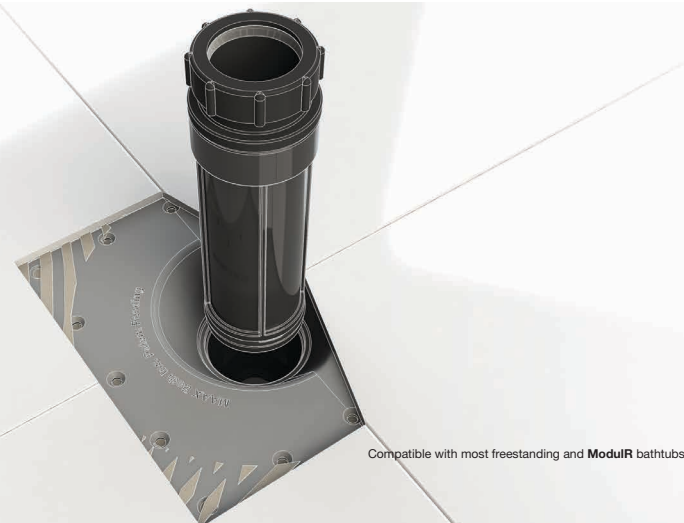

## Sonoma

MODEL	DIMENSIONS (in.)	DRAIN POSITION	STANDARD COLOR	PRICE LIST CODE
Sonoma	58 x 32 x 27	Center	White (002)	106996-000-002

## F<sup>2</sup> Drain

- **Fast & easy installation**  
Quick connection and perfect alignment without measurements
- **Peace of mind**  
Allows you to do a quick leak test before completing the installation
- **Serviceable**  
Access plumbing with ease
- **Exclusive**  
Works with MAAX's most popular freestanding bathtubs
- **Reduce damage risk**  
Use our new bathtub templates to position the F2 Drain at rough-in step and order your bathtub later

Compatible with most freestanding and ModulR bathtubs.

### SUPERIOR FINISH

- **AcrylX™** applied acrylic is a superior luster, truer white, acrylic finish. It's a patent pending, proprietary system that offers the widest array of bathing products at the greatest value.
- Whether in a warehouse or a new house, an **AcrylX™** product will resist scratching, cracking and chipping and will maintain a "factory-new" surface finish over its lifetime.
- **AcrylX's™ UV** properties resist fading, low porosity helps maintain luster and makes cleaning easier, and other natural properties make it less susceptible to chemicals. We've upgraded the value of the everyday product and reduced everyday issues.

\*Hinge with patent mechanism that offers 3 in. of lateral adjustment, visualized on page 40. Visit [maax.com](http://maax.com) for more information.

Shatter Resistant Technology

Next-level safety innovation developed by MAAX that offers an added layer of protection to the tempered glass security features.

Effective retention of glass fragments, keeping most of them together in one piece, in the rare case of glass breakage.
