forward

A better experience means always moving forward

We're inspired by you. You're constantly in motion, and never stop looking ahead. And your style is constantly evolving, helping refine the trends of tomorrow. That is why we believe to best serve you, we must always be moving forward — never complacent — finding new ways to enhance your success and enjoyment. We never stop asking questions or exploring innovative new opportunities to make business easier, products better and results more inspiring, no matter what the project. We are driven to continuously push the bounds, creating the best possible bathware experience.

3D Innovation!

View our Products from Every Angle!

Take full advantage of our new 3D models functionality by having fun playing with all of our one piece freestanding tubs.

Grab the bathtub with your mouse (or drag your finger) and manipulate it 360 degrees in order to see it from the left, right or top. You can also zoom in to examine it from a close-up perspective.
