

# Pia **NEW**

Bathtub with Integrated Tiling Flange – Alcove Installation

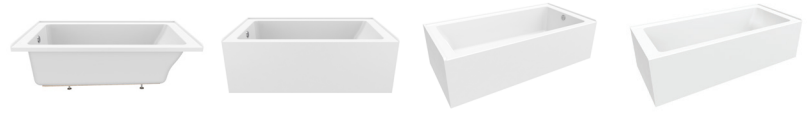

## Key Features:

- Thermoformed acrylic reinforced with fiberglass for a durable bathtub
- Gloss finish resistant to stains and discoloration
- Multiple sizes available
- Alcove installation, perfect for remodeling
- Above-the-floor rough (AFR) so pipes can be routed without breaking ground or relocating the drain
- Integrated tiling flange for added leak protection
- Available in left or right installation
