

Swan products blend style, performance and affordability at a level unmatched in the industry. When clients require materials that are as sustainable as they are stylish, our high-performing bath and kitchen products are the ideal choice. Residence halls are some of the most highly utilized spaces in any built environment, making it imperative that installed surfaces can withstand years of intense abuse. Swanstone shower walls, floors and vanities are up to the challenge, providing low maintenance and highly durable solutions for student housing and teaching environments.

#### ANTIMICROBIAL

Walls are non-porous, with no surface coating to scratch or wear away, forming a natural antimicrobial surface that will not breed bacteria.

#### EASY TO CLEAN

Easily wipe away dirt, grime, and soap scum with most household cleaners and a good rinse.

#### DURABLE

Swanstone has the best impact resistance in the industry - up to 10 times stronger! It will stand up to abuse far beyond daily use.

#### HEAT & CHEMICAL RESISTANT

Solid surface resists heat up to 450° and will withstand exposure to even the harshest of chemicals.

## WHY SWANSTONE FOR EDUCATION FACILITIES?

- Available in a variety of sizes, styles and colors to fit any specification
- Quickly renovate over student breaks with quick installation
- Student damage-proof with no gel coat surface coating, it won't crack, chip, mold or mildew
- Covered by one of the industry's best warranties

### EDUCATION APPLICATIONS

Dorm Shower Walls, Shower Floors, Vanity Tops, Countertops, Wainscoting, Molding and Trim, Window Sills, Thresholds, Cladding, Reception Desks, Laboratory Tables, Work Surfaces, Dining Table Tops, Food Service Surfaces, Utility Sinks

## LIFE CYCLE COSTS

Our affordable and long lasting line of bath solutions will appeal to campus administrators' life cycle cost concerns. Our innovative Swanstone solid surface material is highly resistant to mold and mildew, blunt impacts, heat from curling or flat irons and staining from hair dyes or harsh chemicals—making it a durable, lowmaintenance choice for facility managers.

## EASY, FAST, INSTALLATION

With Swanstone shower wall kits, the installation of shower walls and floors can occur more quickly than with standard tile and grout installations. With a faster conversion time, one man or small crews can complete the installations. This enables renovations to occur during academic breaks, without disruption to students.

## STYLISH & EASY TO CLEAN

The visual appeal of student housing is often a factor when prospective students select their school. Swanstone is available in a variety of colors and textures, allowing designers to select a product that meets their overall vision for the space – and ultimately appeal to current and prospective students. Regular cleaning and maintenance for students and cleaning staff is easier with Swanstone. Swanstone is a non-porous surface and highly resistant to mold, mildew, scratching, staining, heat and chemicals. This makes private bath suites easier to maintain when weekly cleaning is the responsibility of students.
