SWANSTONE

FEATURES AND BENEFITS

Transform your bath with the beauty and durability of Swanstone. Swanstone is a high-performance solid surface that looks great and lasts a lifetime—a unique combination in the industry.

From shower walls, pans and accessories, to vanity tops and bowls, wainscoting, molding and trim, Swanstone offers a complete suite of beautiful and durable bath solutions.

What makes high-performance Swanstone so right for your next kitchen or bath project?

ANTIMICROBIAL

Non-porous, with no surface coating to scratch or wear away and a natural antimicrobial surface that will not breed bacteria.

DURABLE SOLID SURFACE

Reinforced solid surface means color and texture run all the way through and is repairable without a top layer to chip or crack.

SAFE AND EASY TO CLEAN

Pebbled, slip-resistant surface will not breed mold or mildew and has no grout to clean.

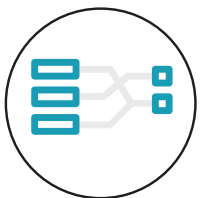

INDUSTRY LEADING WARRANTY

Swanstone products offers peace of mind with a limited lifetime warranty.

HEAT AND CHEMICAL RESISTANCE

Reinforced solid surface means color and texture run all the way through, resists heat up to 450° and will withstand exposure to even the harshest of chemicals.

VERSATILE AND STYLISH

Coordinates with other Swanstone shower and bath systems and is the perfect compliment to tile. Featuring a time-saving molded-in drain and drain covers available in several finishes to accent any shower space.

Modern Subway Tile Wall Kit in Ash Gray (203)
End Drain Single Threshold Base in White (010)
Vessel Sink in White (010)

SWANSTONE BATH SOLUTIONS

SHOWER AND BATH WALLS

Swanstone walls solutions are a high performance, low maintenance material that is perfect for any bathroom space! Easier than tile and grout to install and maintain, Swanstone walls are the perfect upgrade to the shower or tub space!

ANTIMICROBIAL

Non-porous, with no surface coating to scratch or wear away and a natural antimicrobial surface that will not breed bacteria.

EASY TO TRIM OR CUT ONSITE

Easy to trim or cut onsite for a perfect, custom fit. Solid Surface color runs throughout for easy repair.

EASY TO INSTALL

Easy to install, glue up to backer for strength and durability.

A WIDE RANGE OF SIZES, FINISHES AND COLOR

Available in a wide range of sizes, finishes, colors and patterns, Swan walls are an easy solution!

- Complete kit includes single back panels, two side panels, two corner moldings and color coordinating silicone.
- Available in 72" SS-72-3 and 60" SS-60-3 heights.

SWANSTONE BATH SOLUTIONS

SWANSTONE DECORATIVE WALLS

Swanstone wall panels are perfect for virtually any commercial high-traffic areas. They're a great way to protect the lowest, most vulnerable part of the wall, while adding architectural interest and detail.

- Save time, money and hassle by eliminating wall damage.
- Resistant to cracks, gouges and dings.
- Easy to install, clean and repair.

Finish your decorative walls with Trim Kits (TK-6072 and TK-105), Batten Strips (TK-0372) or Corner Moldings (CM-72 and CM-2096)

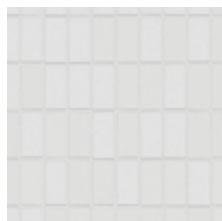

Smooth Wall Panels	Fits Size
SS-3672SK (one panel)	36" H x 72" W
SS-3696SK (one panel)	36" H x 96" W
SS-4896SK (one panel)	48" H x 96" W
SS-30145SK (one panel)	30" H x 145" W

SWANSTONE DECORATIVE WALL PANELS

Swanstone Decorative Panels are available in five, three-dimensional patterns and in many different solid and aggregate colors. The textured panels are easy to clean and are designed to fit most bath or wainscoting applications.

KITCHEN SINKS

SWAN KITCHEN SINKS

Put the power and elegance of a Swan Kitchen Sink to work in your kitchen. Few other materials offer such a unique combination of sophistication and functionality. Available in standard sizes, our drop-in and undermount configurations give you plenty of design options.

SWANSTONE SINKS

The real beauty of Swanstone Sinks goes deeper than just surface appearances. Available in a range of single and double bowl configurations, our drop-in and undermount style sinks are ideal for both new construction and remodeling projects. Swanstone sinks are durable and non-porous which make maintenance a breeze.

GRANITE SINKS

Swan Granite Sinks are created with the clean lines, profiles and sweeping, organic curves that echo natural elements. Our sinks are made with 80% natural quartz stone, making them extremely durable and low maintenance, retaining their solid good looks for years.

KITCHEN AND UTILITY SOLUTIONS

SWANSTONE SINKS

USRB-18 Undermount Bowl in Black Galaxy (018)

SWANSTONE KITCHEN SINKS

The real beauty of Swanstone Sinks goes deeper than just surface appearances. Large bowls and offset drains increase workspace and storage underneath. The durability of Swanstone means hot pots and boiling water will not harm the sink surface.

Heat resistant — Up to 450 degrees! Hot pots or boiling water will not scorch, melt or damage Swanstone's kitchen sinks.

Color and Textured throughout — Stains, chips, scratches or dents are not likely to happen with Swanstone, but in the case that life happens, Swanstone solid surface can easily be renewed to look like a brand new surface!

Strong, Durable and Easy — No need to worry about the kitchen sink. Swanstone solid surface material ensures it will be one of the toughest surfaces in the industry.

Swanstone is GREENGUARD GOLD Certified by UL Environment. This certification certifies that our product meets some of the world's most rigorous and comprehensive standards for low emissions of volatile organic compounds (VOCs) into indoor air.

Swanstone is certified under NSF 51 as a safe material for use in food preparation areas.

LIMITED WARRANTY

Limited Warranty For Residential Applications

If a Swanstone product covered by this warranty is found to be defective in materials or workmanship, after inspection by an authorized Swan representative, we will repair, or at our option, exchange the product for a similar model. This warranty extends for a designated period of time, so long as it remains in use in its original place of installation.

This warranty covers only products installed in accordance with Swan's installation instructions, used as recommended, and not damaged due to misuse, abuse or improper installation. Gloss reduction and scratching of the finish over time due to use, cleaning practices or water or atmospheric conditions are not manufacturing defects but are indicative of normal wear and tear. It does not apply to any seams or changes made to the product by professional tradesmen or fabricators.

The warranty applies only to the original purchaser and installation of these products in residential applications. It does not apply to commercial applications.

Swan's option to repair or exchange products under this warranty does not cover any labor or other costs of removal or installations, nor shall Swan be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product.
