## SHOWROOM COLLECTION

---

Since 1964, Swan has been a leader in creating innovative and affordable Solid Surfacing products. Sourced from global materials, Swan produces USA-made, high-performing surfacing solutions for the bath and kitchen. Customers trust our products for superior impact strength, heat resistance, and durability. Whatever your preference in style, color, budget, or materials, you'll find that Swan has the combination of products, experience, and support you need to make your project an overwhelming success. **Total solutions. That's our commitment. That's our promise.**

The Showroom Collection features a curated selection of design-forward bathware solutions, infusing sophistication and modern elegance into any space. As our most luxurious series, the Showroom Collection seamlessly blends form with function to deliver a high-end aesthetic and refined performance. Crafted from premium materials, Showroom products are not only durable, but effortless to maintain, ensuring a lifetime of beauty and luxury. Elevate your space with the Showroom Collection, the bathware line that rises above the rest.

Please note that colors displayed may vary from their real-life counterparts. We recommend referring to physical color samples for accurate color representation.
