

## Swanstone is proud to Introduce Two New Solid Surface Wall Patterns

Simple, but chic, there is a reason subway tile never goes out of style. Our new Solid Surface Subway tile patterns takes classic to a new level! By incorporating a textured grout line it enhances the pattern creating a realistic element to elevate the look and design.

**The Traditional Subway Tile Pattern** takes the classic tile pattern to a new level with a large & bold look!  
**Tile Pattern: 12" H x 24" W**

**The Modern Subway Tile Pattern** offers a fresh take with modern, seek lines.  
**Tile Pattern: 6" H x 24" W**

### Swanstone Color Variance:

Swanstone products are molded and have unique qualities. These variations are what give Swanstone its prized features and should not be seen as flaws. Product coloring, shading, chip, swirl, and concentration can vary from product to product due to the flow of material during the manufacturing process. Please contact Swan Customer Care to learn more about the unique qualities of Swanstone's color series and how it can add a beautiful accent to any space.
