

PRICE GUIDE

EFFECTIVE MARCH 21, 2024
CONTINENTAL USA

- Bath Walls
- Shower Pans
- Kitchen Sinks
- Bathtubs
- Vanity Tops and Bowls
- Utilities

You can place your order by email or fax.
Please mention the item number exactly as it appears in this catalog.

Customer Service

Speak with Swan Customer Service at:

(800) 325-7008 or email us at **help@swanstone.com**.

Purchase Orders

Purchase Orders can be faxed to **(800) 342-7926**
or emailed to **swanezpo@swanstone.com**.

Visit our website!

You'll find more information on our colors, technical information, data sheets,
specifications and more at **Swanstone.com**

Is the product you want not included in this catalog?

We accept Special Order requests. Special Order products are available
and we can color match almost any color on request. Contact Swan
Customer Service for more information.

PURCHASE ORDER

ACCEPTANCE POLICY

Purchase orders should be submitted via:

Email swanezpo@swanstone.com or Fax **(800) 342-7926**

To ensure accurate and timely processing and shipping of orders, all purchase orders require the following information:

- Submitted on customer letterhead (or Swan Purchase Order Form)
- Current net prices
- Current Swan part numbers
- Shipping information, method and freight terms
- Payment terms
- Contact phone number and email address

Please note we will only accept current Swan part numbers submitted on Purchase Orders. We will no longer process incorrect, outdated or unique customer product identifiers used on Purchase Orders.

Purchase orders submitted with missing or incorrect data will not be processed until corrected. Order corrections must be in writing (email or fax is acceptable). Purchase orders will only be accepted from customers responsible for invoice payment. There is a \$35 minimum charge on all purchase orders.

**** Purchase order lead times will automatically default to the longest product lead time on purchase order. ****

All purchase order changes or cancellations must be completed within 48 hours of purchase order acceptance. After 48 hours no changes will be allowed.

Custom Vanity Tops or Special Orders must be submitted on a separate Purchase Order. Custom Vanity Tops or Special Order items cannot be returned.

Orders received before 2 p.m. CST will be entered the same day and an order acknowledgment email will be issued. Orders received after 2 p.m. CST will be processed the following business day.

REFERENCE

CARE AND CLEANING

GUIDE

Swanstone Walls and Pans

Clean regularly with common household liquid cleaners and rinse within five minutes of application. Occasional scrubbing with abrasive cleaners ensures that the original luster will be maintained. For hard water stains, scale removers can be used. If necessary, abrasive cleaners can be used with a nylon brush or pad to remove build up on the shower pan surface. Do not use a metal-scouring pad or a wire brush, as it will damage the surface.

Do not use “leave on” cleaning products, such as automatic spray shower cleaners. Prolonged contact with harsh chemicals could have an adverse reaction over time and discolor surfaces.

Do not use cleaning agents that caution use on acrylic, polyester or plastics.

Swanstone Vanity Tops and Bowls

Cleaning regularly with common household liquid cleaners is recommended. If necessary, abrasive liquids or detergents are safe and effective for use with nylon scouring pads, sponges, or other similar products. Mineral stain removers are acceptable as well.

Do not use metal scouring pads.

Veritek® Products

Clean regularly with common household liquid cleaners and a sponge or soft cloth. For hard water stains, scale removers can be used. To protect finish, any fiberglass wax or automotive paste wax can be applied.

Do not use cleaning agents that caution use on acrylic, polyester or plastics.

Do not use abrasive cleaners or scouring pads.

Do not use “leave on” cleaning products, such as automatic spray shower cleaners. Prolonged contact with harsh chemicals could have an adverse reaction over time and discolor surfaces.

Swanstone Kitchen Sink

Clean your Swanstone sink by using abrasive cleaners or other similar products. Use of a nylon scouring pad is also recommended. Food-based stains can be removed using a 50-50 mix of bleach and water solution and soaking for 15 minutes. For rust or other mineral stains, rust-removing products are acceptable. To restore luster or extend time between cleanings, Granite Cleaner & Polish is recommended. Do not use metal scouring pads.

Swan Granite Sink

Clean your Swan Granite Sink by using warm water and a soft clean cloth or sponge. Non-abrasive liquid cleaners and detergents can also be used. Hard water, calcium and lime deposits can be removed with white vinegar on a paper towel; rinsing after 20 minutes. To restore luster and extend time between cleanings Granite Cleaner & Polish is recommended. Staining liquids, such as dyes and vegetable juices should be rinsed off as soon as possible.

Do not use abrasive cleaners, metal-scouring pads, or bleach or alkali cleaners, such as ammonia.

Swan Utility Sink

Clean regularly with common household liquid cleaners, bleach or similar type products in conjunction with a sponge or soft cloth. For hard water stains, scale removers can be used. To protect finish, fiberglass wax or automotive paste wax can be applied.

Do not use abrasive cleaners or metal scouring pads.

SWANSTONE

SPECIFICATIONS AND TECHNICAL DATA SHEET

Product

Swanstone Reinforced Solid Surface Products

Manufacturer

Swan, St. Louis, Missouri with manufacturing facilities in Centralia, Illinois.

Product Composition

Swanstone® is a compression-molded compound that consists of a blend of polymer resins, fillers and reinforcement additives. In the manufacturing process, Swanstone transforms into a thermoset material that has extreme resistance to heat, impact, expansion, and chemicals.

Product Category

Swanstone is available in bath walls, integral top and bowl vanity tops, kitchen sinks, kitchen countertops, bar sinks, undermount bowls and blank vanity tops. Offset vanity top bowl locations are available.

Colors

Swanstone is available in a variety of solid, solid bolds, and/or aggregate colors. Review products individually for complete color offerings.

Warranties

Swanstone wall panels and trim kits, vanity tops and bowls, kitchen and bar sinks, window trim kits and shower pans are covered by a limited lifetime warranty for residential applications. For commercial applications Swan offers the following limited warranties:

25-Year Limited Warranty on wall panels and trim kits.

25-Year Limited Warranty against thermal cracking on our vanity tops and bowls.

10-Year Limited Warranty against defects on countertops.

10-Year Limited Warranty against defects and/or thermal cracking on our kitchen sinks and bar sinks.

10-Year Limited Warranty against warping, blistering, loss of color, or fading on shower pans. Complete details and product warranty application for both residential and commercial are available by writing to Swan.

Maintenance

Swanstone should be cleaned as you would any other fine kitchen or bath fixture. For kitchen sinks and countertops, rinse any food or beverage residue as soon as possible; follow up with normal household cleaners. To remove residue that cannot be rinsed away or removed with other types of cleaners, use powdered abrasive cleaners and/or a nylon or plastic scrubbing pad. Vanity tops should be cleaned with normal household cleaners. Cleaners designed for removing mineral-based stains can be used on Swanstone, as well as a mild solution (50/50) of chlorine bleach and water. In the event of a scratch, start with powdered abrasive cleaner and a scrubbing pad; if further attention is needed, use white automotive rubbing compound or light sanding with a 400 grit or 40 micron sandpaper.

Application

Swanstone products can be used in any interior horizontal and vertical surfaces, including kitchen sinks, shower pans, lavatory bowls, and bar sink applications.

Limitations

Swanstone products are not recommended for exterior use. Material should not be used in areas exposed to sustained temperatures exceeding 450 degrees F. Follow all recommended installation procedures provided by manufacturer.

Finish

The decorative surface of Swanstone is a matte finish equal to a 320 grit sandpaper (gloss reading of 25). A higher sheen can be produced by buffing the product with commercial rubbing compound.

Flat Sheet Stock Tolerance

Flat sheet products used in shower walls, wainscoting, trim kits etc.:

+/- 0.080 inches

Flat sheet products with the side opposite the show side processed through a grinding operation:

+/- 0.030 inches

Fabrication flat sheet products with the side opposite the show side processed through a grinding operation, and the show side sanded and finished:

+/- 0.030 inches

Availability

Swanstone is available nationwide through local stocking distributors. Contact Swan for your nearest distributor.

Cost

Cost varies with product category. Contact your local distributor for applicable costs.

Installation

Swanstone reinforced solid surface products are shipped with complete installation manuals provided with every unit. Consult the specific product installation manual for step-by-step installation procedures. All manuals are available through Swan or your local distributor.

VERITEK

SPECIFICATIONS AND TECHNICAL DATA SHEET

Product

Veritek compression molded products.

Manufacturer

Swan is headquartered in St. Louis, Missouri with manufacturing in Centralia, Illinois.

Product Composition

Veritek® is a compression-molded material with no surface coating to chip or crack. It's a non-porous material that will not mold or mildew.

Product Category

Veritek® is available in bathtubs, bath walls and shower pans.

Colors

White (010), Bisque (018), Bone (037) and for some product, Flock (033). Please review products individually for color offerings.

Warranties

Veritek® wall panels, bathtubs, and shower pans are covered by a limited lifetime warranty for residential applications. For commercial applications, Swan offers the following warranties: five year Limited Warranty on bathtubs, bath walls, and shower pans. Complete details on these warranties are available on our website: swanstone.com.

Maintenance

The Veritek® finish is stain and abrasion resistant; however, the finish requires reasonable care. Clean regularly with common household liquid cleaners and a sponge or soft cloth. For hard water stains, scale removers can be used. To protect finish, fiberglass wax or automotive paste wax can be applied. Do not use abrasive cleaners or scouring pads. Do not use "leave on" cleaning products, such as automatic spray shower cleaners. Prolonged contact with harsh chemicals could have an adverse reaction over time and discolor surfaces. Do not use cleaning agents that caution use on acrylic, polyester or plastics.

Limitations

Veritek® products are not recommended for exterior use. Follow all recommended installation procedures provided by the manufacturer.

Finish

Natural-gloss

Cost

Cost varies with product category. Contact your local distributor for applicable costs.

Installation

Veritek® products are shipped with complete installation manuals provided with every unit. Consult the specific product installation manual for step-by-step installation procedures. All manuals are available through Swan or your local distributor.

LIMITED WARRANTY

INFORMATION

Limited Warranty For Residential Applications

If a Swanstone product covered by this warranty is found to be defective in materials or workmanship, after inspection by an authorized Swan representative, we will repair, or at our option, exchange the product for a similar model. This warranty extends for a designated period of time, so long as it remains in use in its original place of installation.

This warranty covers only products installed in accordance with Swan's installation instructions, used as recommended, and not damaged due to misuse, abuse or improper installation. Gloss reduction and scratching of the finish over time due to use, cleaning practices or water or atmospheric conditions are not manufacturing defects but are indicative of normal wear and tear. It does not apply to any seams or changes made to the product by professional tradesmen or fabricators.

The warranty applies only to the original purchaser and installation of these products in residential applications. It does not apply to commercial applications.

Swan's option to repair or exchange products under this warranty does not cover any labor or other costs of removal or installations, nor shall Swan be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product.

This warranty extends for a designated period of time, so long as it remains in use in its original place of installation.

This warranty covers only products installed in accordance with Swan's installation instructions, used as recommended, and not damaged due to misuse, abuse or improper installation. Gloss reduction and scratching of the finish over time due to use, cleaning practices or water or atmospheric conditions are not manufacturing defects but are indicative of normal wear and tear. It does not apply to any seams or changes made to the product by professional tradesmen or fabricators.

The warranty applies only to the original purchaser and installation of these products in commercial applications.

Swan's option to repair or exchange products under this warranty does not cover any labor or other costs of removal or installations, nor shall Swan be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product.
