PROFESSIONAL COLLECTION
VERITEK™ AND VERITEK™ PRO

Since 1964, Swan has been a leader in creating innovative and affordable Solid Surfacing products. Swan produces American-made, high-performing surfacing solutions for the bath and kitchen. Customers trust our products for superior impact strength, heat resistance, and durability. Whatever your preference in style, color, budget, or materials, you'll find that Swan has the combination of products, experience, and support you need to make your project an overwhelming success.

Total Solutions. That's our commitment. That's our promise.

THE PROFESSIONAL COLLECTION

The Professional Collection offers tried and true project solutions that have been used and trusted by contractors for decades. With Veritek™ and Veritek™ Pro, the Professional Collection pulls from a catalog of reliable products and materials, and will ensure your next project is on time and on budget.

VERSATILE SOLUTIONS

The one-stop, complete value solution of quality, high volume products for any job consisting of shower and tub walls, shower pans, and utility products.

EASY INSTALLATION

Featherweight, multipiece construction makes it quick and easy for one person to install.

READILY AVAILABLE

Proudly made in America, Swan offers consistent and industry-leading reliable lead times to the plumbing market so that any project can be completed on time.

VERITEK™

SHOWER, BATH AND UTILITY PRODUCTS

VERITEK™— STRONG, BEAUTIFUL AND AFFORDABLE

Veritek™ tub and shower walls offer outstanding value, and durability while being easy to install. Veritek™ wall kits are available in a variety of styles and sizes to fit any specification. Since they have no surface coating, they won't chip or crack and will not mold or mildew. Utility products round out the product offering by providing durable and functional laundry tubs, mop sinks, and utility sinks.

When your design calls for fresh, affordable bath products, Veritek™ has many versatile options to choose from! Our compression-molded materials are non-porous, low maintenance, and highly resilient. For tubs, baths and shower walls, you'll find Veritek™ products are affordable, wear-resistant, easy to maintain and are covered by one of the industry's best warranties.

SHOWER PANS

FBF-3060LM shown in White (010)

Model	Dimensions (Inches)
FBF-3060LM/RM	30 x 60 x 1 3/8

FEATURES AND BENEFITS

- Roll-in shower pan
- Meets ADA accessibility requirements for use in existing bathing facilities. Does not meet those requirements for new construction
- Can be recessed for flush mounting or used with a ramp (BF-1260 ramp sold separately)
- Without expensive plumbing re-work, this pan can be installed in the same place once occupied by a standard bathtub
- Pebbled slip-resistant surface
- Available in left and right-hand drain

FR-3260R shown in White (010)

Model	Dimensions (Inches)
FR-3260L/R	32 x 60 x 3 3/8

FEATURES AND BENEFITS

- Non-ADA compliant but features a lower threshold than standard pans for easier access
- Without expensive plumbing re-work, this pan can be installed in the same place once occupied by a standard bathtub
- Pebbled slip-resistant surface
- Available in left and right-hand drain

LIMITED WARRANTY

Limited Warranty For Residential Applications

If a Swan product covered by this warranty is found to be defective in materials or workmanship, after inspection by an authorized Swan representative, we will repair, or at our option, exchange the product for a similar model. This warranty extends for a designated period of time, so long as it remains in use in its original place of installation.

This warranty covers only products installed in accordance with Swan's installation instructions, used as recommended, and not damaged due to misuse, abuse or improper installation. Gloss reduction and scratching of the finish over time due to use, cleaning practices or water or atmospheric conditions are not manufacturing defects but are indicative of normal wear and tear. It does not apply to any seams or changes made to the product by professional tradesmen or fabricators.

The warranty applies only to the original purchaser and installation of these products in residential applications. It does not apply to commercial applications.

Swan's option to repair or exchange products under this warranty does not cover any labor or other costs of removal or installations, nor shall Swan be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product.

Limited Warranty For Commercial Applications

If a Swanstone product covered by this warranty is found to be defective in materials or workmanship, after inspection by an authorized Swan representative, we will repair, or at our option, exchange the product for a similar model. This warranty extends for a designated period of time, so long as it remains in use in its original place of installation.

This warranty covers only products installed in accordance with Swan's installation instructions, used as recommended, and not damaged due to misuse, abuse or improper installation. Gloss reduction and scratching of the finish over time due to use, cleaning practices or water or atmospheric conditions are not manufacturing defects but are indicative of normal wear and tear. It does not apply to any seams or changes made to the product by professional tradesmen or fabricators.

The warranty applies only to the original purchaser and installation of these products in commercial applications. Swan's option to repair or exchange products under this warranty does not cover any labor or other costs of removal or installations, nor shall Swan be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product.
