ABOUT SWANSTONE® SHOWER PANS

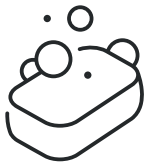

ANTIMICROBIAL

Walls are non-porous, with no surface coating to scratch or wear away, forming a natural antimicrobial surface that will not breed bacteria.

DURABLE

Swanstone® has the best impact resistance in the industry - up to ten times stronger! Swanstone® will stand up to heavy duty abuse far beyond daily use.

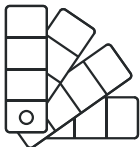

EASY TO CLEAN

Easily wipe away dirt, grime, and soap scum with most household cleaners and a good rinse.

HEAT AND CHEMICAL RESISTANT

Solid surface resists heat up to 450 degrees and will withstand exposure to even the harshest of chemicals.

MODERN & STYLISH

Design a trendy and timeless space with Swan wall solutions, which are designed with beauty and style as well as function.

RENEWABLE

Swanstone® is the ultimate renewable surface. Buff out or repair scratches easily. Wipe away ink, marker, hair dye, and more with common household acetone or solvents.

VERSATILE

Coordinate Swan wall solutions with other Swan products in a variety of patterns and colors to completely customize any space

METRO SUBWAY TILE

Tile Pattern: 4" H x 8" W

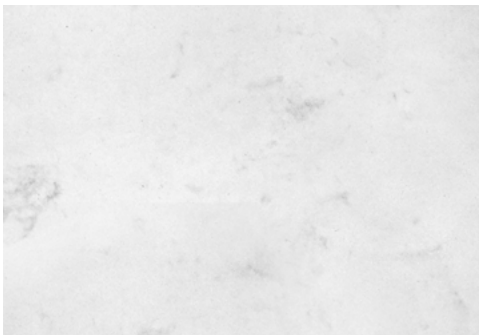

A standard subway tile pattern has long been the go-to for many wet areas in residential, commercial, and hospitality settings. Our Metro Subway Tile pattern is that standard and features our innovative EverGrout® technology.

MODERN SUBWAY TILE

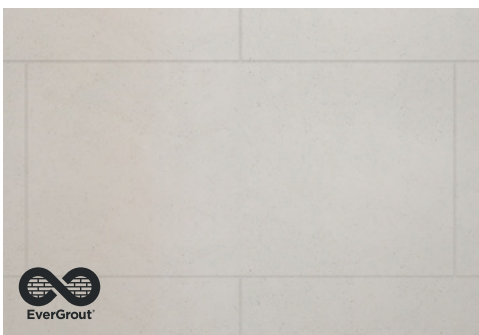

Tile Pattern: 6" H x 24" W

Taking inspiration from New York's first white-wall subway stations, we've modernized that subway tile pattern to bring a sense of simplicity and refinement to any bathing space.

SMOOTH WALLS

Shake up your bathroom with a smooth finish that brings elegance and sophistication through classic walls that never go out of style.

TRADITIONAL SUBWAY TILE

Tile Pattern: 12" H x 24" W

With its inherently timeless design, our Traditional Subway Tile provides a clean look that is equally impactful and easy to achieve. Take your bathroom to a new level with our large and bold rectangle tile walls.
