VP6030CTS Tub Shower Kit

TOUGH, STRONG, AND DURABLE VERITEK PRO IS THE  
ULTIMATE SOLUTION FOR ANY BATHROOM PROJECT!

American-made and truly innovative, VERITEK PRO™ is here to make every project easier. With lightweight sections that effortlessly snap together, installation is quick and easy, even when it's a tight squeeze.

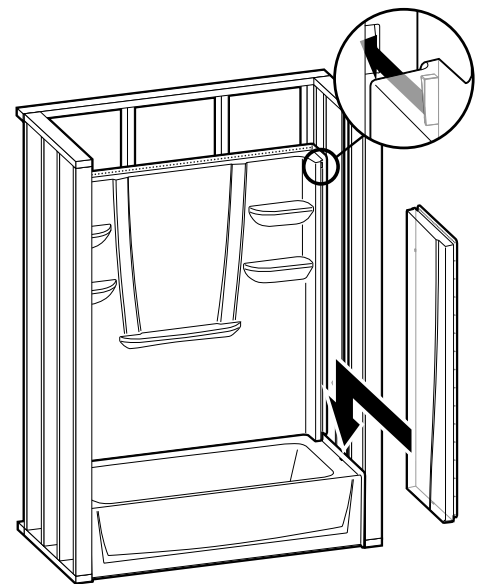

At Swan, we are dedicated to BUILDING BETTER SURFACES so you can rest easy knowing you've installed a high-quality, reliable product in your bathroom.

**THE VERITEK PRO DIFFERENCE**

- Integrated shelves in different configurations
- Lightweight, durable construction
- Simple tongue & groove connections
- Pre-leveled base
- Installs directly to stud

**VERITEK PRO - THE ULTIMATE SOLUTION**

- Save time & money with an easy, four-piece shower or tub shower installation.
- Designed for a seamless, water-tight fit.
- Available in multiple sizes and configurations. It's easy to find the perfect solution with the Veritek Pro line of bases, walls, and tubs.
- Component pieces are available to order individually. Please contact Swan Customer Care or your Sales Representative to learn more.

**SWAN SOLID SURFACE**

**Swan's legacy of premium, solid surface materials has been an industry leader since 1964.**

Available in a range of popular sizes, designs and features, the Veritek Pro series is an easy solution for any shower or tub space.

MINIMALIST TUB – clean, streamline design for a more modern look

CLASSIC TUB – curved lines for a timeless design to fit any space

AGING IN PLACE (AIP) WALL SOLUTIONS - reinforced with backing for future grab bar placement

ABOVE FLOOR ROUGH (AFR) TUBS – Allows for easy installation for any project

ALL KITS INCLUDE: Two (2) sidewalls, one (1) backwall, and a tub or shower pan

Veritek Pro is available in white only.
