## Professional

Effective June 28<sup>th</sup> 2021, all bath & shower product categories will no longer offer the standard colors of Bone (004) & Biscuit (007) and the non-standard colors of Black (015), Sterling Silver (006) and Thunder Grey (019) out of the Tring and Armstrong facilities for AcrylX fiberglass units only.

The exact categories impacted are as follows:

- Single and Multi-Piece Showers
- Single and Multi-Piece Tub Showers
- Alcove and Corner Bathtubs
- Outlook Plus & Compliant Product
- Shower Bases

Effective immediately (June 25<sup>th</sup> 2021), due to sourcing difficulty and instability, the following shower and tub doors with a Mistelite glass pattern only are discontinued from the MAAX Retail product offering. The clear glass version is still available. Below are the recommended replacement SKUs in clear glass.

## Retail

Effective June 28<sup>th</sup> 2021, all bath & shower product categories will no longer offer the standard colors of Bone (004) & Biscuit (007) and the non-standard colors of Black (015), Sterling Silver (006) and Thunder Grey (019) out of the Tring and Armstrong facilities for AcrylX fiberglass units only.

The exact categories impacted are as follows:

- Single and Multi-Piece Showers
- Single and Multi-Piece Tub Showers
- Alcove and Corner Bathtubs
- Outlook Plus & Compliant Product
- Shower Bases

## Retail

Please be advised that as an update to the discontinuation communication of September 15<sup>th</sup> 2020, the following SKUs remain in the offering until replacements are available for production:

- Monaco (101175)
- Jupiter F32 (101162)
- Gilmour (101167)
- Biarritz 90 (101169)

## Retail

Effective July 2<sup>nd</sup> 2021, the textured bottom version on the Biarritz 85, sales code 102721, will be discontinued. The replacement SKU will be sales code 100973, the standard version of Biarritz 85.

## AKER

Please be advised that as an update to the discontinuation communication of September 15<sup>th</sup> 2020, the Aker SHRST/SHLST 48 (141035) will remain in the MAAX Retail product offering as we continue to evaluate future alternatives.

## Multi-brand

Due to sourcing difficulty and instability, we have to discontinue the following shower and tub doors.

Effective immediately (June 25<sup>th</sup> 2021), the Kameleon doors with Mistelite glass pattern listed below are discontinued. The clear glass version is still available.

The discontinuation date for the Kleara doors with Mistelite glass pattern only is scheduled for September 1<sup>st</sup> 2021 or until depletion of inventory. The clear glass version is still available. Below are the recommended replacement SKUs in clear glass.
