### **Silhouette Plus Neo-angle 36" x 36" x 70" Hammer Glass Discontinuation**

Effective immediately, the Silhouette Plus Neo-angle 36" x 36" x 70" pivot shower door for corner installation with Hammer glass in Chrome (137700-965-084-000) is discontinued due to the scarce supply of raw materials.

The Silhouette Plus Neo-angle 36" x 36" x 70" pivot shower door for corner installation with Clear glass in Chrome (137720-900-084-000) may serve as an alternative model. The outer dimensions are equivalent but the ratio of the sides versus the facade are different. Bases should be measured prior to purchasing.
