## Professional

Due to the current production environment, we will no longer be able to offer the MAAX QSI (Quick Ship Inventory) program. Lead times and delivery upon the QSI program expectations continue to be challenging in this environment. Until further notice the program is paused effective September 13th, 2021.

## Professional

Please note that the color discontinuation for the Bath & Shower product categories communicated on July 5, 2021 pertains to AcrylX fiberglass product only.

To recap: Bath & Shower AcrylX fiberglass product categories will no longer offer the standard colors of Bone (004) & Biscuit (007) and the non-standard colors of Black (015), Sterling Silver (006) and Thunder Grey (019) out of the Tring and Armstrong facilities.

The exact categories impacted (AcrylX fiberglass) are as follows:

Single and Multi-Piece Showers  
Single and Multi-Piece Tub Showers  
Alcove and Corner Bathtubs  
Outlook Plus & Compliant Product  
Shower Bases

Please note:

- 1) This does not apply to freestanding bathtubs which will and have had separate color discontinuation communications.
- 2) The colors were updated to state Thunder Grey (019) discontinuation, not Platinum Grey (010), as originally communicated.

## Retail

Effective September 10<sup>th</sup> 2021, the Bone (004) and Biscuit (007) color options will no longer be available on the following acrylic bathtubs:

Reverie (drop-in) – 105462

## Retail

The replacement SKU for the previously discontinued Biarritz 85 textured bottom, will be sales code 107365, a new sales code of the standard Biarritz 85 for the Retail channel.
