As we continue to introduce new products into the market that feature forward thinking designs and strong value to end users, we have had to take a strategic look at the entire showers and tub showers portfolio to best optimize it for our customers and our internal operations.

As such, we are moving ahead with the discontinuation of select products currently made in our Armstrong, BC facility.

Effective immediately, job quoting for all of the following shower and tub shower products will cease.

Effective December 1st, 2020, the below SKUs, minus those in yellow, will be discontinued and if applicable, transitioned to the replacement SKUs highlighted below.

Effective October 1st, 2020, acceptance of new job quotes for all of the following shower and tub shower products will cease.

For any new job quotes submitted between now and October 1, they will be honored through January 1st, 2021, the official discontinuation date for the SKU.

For current and existing job quotes, we will work with customers to transition to the replacement SKUs through the end of the year.

Any remaining job quotes still open and with zero to minimal orders against them come January 1st, 2021 will be closed.

Effective January 1st, 2021, the below SKUs, minus those in yellow, will be discontinued and if applicable, transitioned to the replacement SKUs highlighted below.
