Swan Color Variance:

Swan products are individually molded and produce unique variations. Product coloring, shading, chip, swirl, and concentration can vary from product to product due to the flow of material during the manufacturing process. Please contact Swan Customer Care to learn more or ask questions about the color manufacturing process.

SWAN WALL ICONS

LEARN MORE ABOUT SWAN WITH THESE INFORMATIVE ICONS

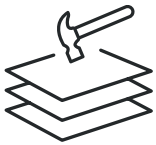

ANTIMICROBIAL

Walls are non-porous, with no surface coating to scratch or wear away, forming a natural antimicrobial surface that will not breed bacteria.

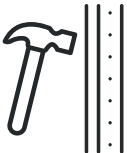

HEAT & CHEMICAL RESISTANT

Solid surface resists heat up to 450° and will withstand exposure to even the harshest chemicals.

DURABLE

Swanstone® has the best impact resistance in the industry - up to ten times stronger! Swanstone® will stand up to heavy duty abuse far beyond daily use.

EASY TO INSTALL

Direct-to-stud or glue-up installation, Swan walls are easy to install for most plumbers, DIYers, and homeowners.

MODERN & STYLISH

Design a trendy and timeless space with Swan wall solutions, which are designed with beauty and style as well as function.

EVERGROUT™

Maintenance-free, realistic, textured grout lines engineered into the wall straight from the manufacturer.

DIRECT-TO-STUD

Wall solutions that are designed to be installed during construction or down-to-stud remodels.

ENVIRONMENTALLY FRIENDLY

Swanstone® products are GREENGUARD GOLD certified by UL Environment. This certification indicates that our product meets some of the world's most rigorous and comprehensive standards for low emissions of volatile organic compounds (VOCs) into indoor air.

CAULKLESS

Wall kits or panels that can be installed without the need for caulk.

GLUE-UP

Wall kits or panels that can be glued over drywall or existing tile.

VERSATILE

Coordinate Swan wall solutions with other Swan products in a variety of patterns and colors to completely customize any space.

TRIMMABLE

Walls can easily be trimmed or cut onsite for a perfect, custom fit for every architectural design.

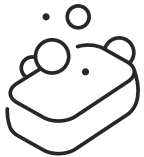

BUDGET FRIENDLY

Designed for the budget-minded consumer or high-volume project contractor, guarantee a wall solution that is affordable and readily available.

RENEWABLE

Swan products have the ultimate renewable surface. Buff out or repair scratches easily. Wipe away ink, marker, hair dye, and more with common household acetone or solvents.

EASY TO CLEAN

Easily wipe away dirt and grime with most household cleaners. For tough stains, use a powdered, abrasive cleaner and a nylon or plastic scrubbing pad.

CRAFTED IN THE USA

Every aspect of our manufacturing is done with ingenuity and pride. We are honored to provide beautiful products and careers for those who make them.

INDUSTRY LEADING WARRANTY

Swanstone® and Veritek™ wall products offer a limited lifetime residential warranty and 30-year commercial warranty. Veritek™ Pro products offer a 15-year residential warranty and 3-year commercial warranty.

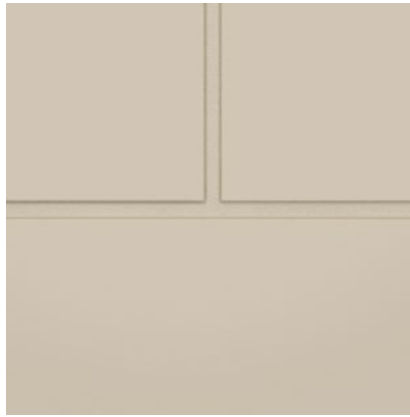

TRUSTED PARTNER

Since 1964, we have been creating wall solutions for everyday needs. Our experience engineering innovative wall products makes us a trusted partner.

LIMITED WARRANTY

Limited Warranty For Residential Applications

If a Swan product covered by this warranty is found to be defective in materials or workmanship, after inspection by an authorized Swan representative, we will repair, or at our option, exchange the product for a similar model. This warranty extends for a designated period of time, so long as it remains in use in its original place of installation.

This warranty covers only products installed in accordance with Swan's installation instructions, used as recommended, and not damaged due to misuse, abuse or improper installation. Gloss reduction and scratching of the finish over time due to use, cleaning practices or water or atmospheric conditions are not manufacturing defects but are indicative of normal wear and tear. It does not apply to any seams or changes made to the product by professional tradesmen or fabricators.

The warranty applies only to the original purchaser and installation of these products in residential applications. It does not apply to commercial applications.

Swan's option to repair or exchange products under this warranty does not cover any labor or other costs of removal or installations, nor shall Swan be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product.
