ARMORSHIELD

Protective coating for during installation for peace of mind

ACRYLIC

Luxurious multi-layered acrylic & fiberglass construction

AMERICAST®

Superior strength, heat retention and sound deadening

PORCELAIN

Durable, easy to clean porcelain on steel construction

Total Cost of Ownership

Total Cost of Ownership (TCO) for a home builder includes all the cost associated with the bathtub fixture over its lifecycle.

Competitive Pricing

Bootz is positioned to be priced favorably for our trade and industry partners.

Installation Costs

Easiest tub to install with no additional materials required. Less time = More savings.

Peace of Mind

Reduction of Call Backs and warranty claims during construction. Armorshield mitigates the need for repairs and reduces headaches.

Durability

Robust steel construction with a lustrous, yet strong porcelain enamel finish provides a long lasting, reliable bathing fixture.

Maintenance

The non-porous porcelain enamel is easy to clean and resists cracking, chipping and won't fade over time.
