

Porcelain Steel Technology

At the heart of every Bootz product is our signature porcelain enamel finish, fused to rugged steel. It combines strength and style, making it a smart, sustainable choice for both residential and commercial spaces. This unique material offers unmatched performance by:

BEAUTIFUL SURFACES

- Non-porous finish
- Will not discolor, stain or peel
- Invisible slip-resistant floor
- Easy to clean
- Easily repaired

DURABILITY

- Strong steel construction
- Solid sump support
- No mortar required
- Highly resistant to chipping, scratching, cracking and fading
- No soft bottoms or flexing
- No squeaking
- No broken or thick flanges

RENEWABLE & RECYCLABLE

- MAS Green Certified
- Non-flammable
- Hygienic and low-maintenance
